★英語角 English Corner for Teachers

為提升教師在課堂中使用英語教學的信心與培養英文教學的能力，安排有教學經驗的外籍師資，以小班制(10人）方式進行英語角活動。透過環境的營造與外師的帶領，給予本校教師使用英語的機會增進口說能力，並同時提升使用英語的信心。輕鬆的用英語聊天，讓教師聊出自然而然的信心。

To enhance teachers' confidence in using English for instruction and to develop their English teaching abilities, experienced foreign instructors are invited to lead English Corner activities in small groups (10 participants per class).

By creating an immersive environment and guided practice with native-speaking teachers, our faculty are provided with opportunities to use English, improve their speaking skills, and strengthen their confidence in using the language. Casual English conversations allow teachers to build confidence naturally while chatting.
